

#### 4. Aftercare

The stand surfaces will usually only require dusting. Avoid products that are abrasive, or contains acid, alkali or antibacterial agents. Marks on the paint surface may be removed with diluted soap solution. Remove any remaining marks by spraying with a proprietary glass cleaner and lightly wiping dry with a micro-fiber cloth.

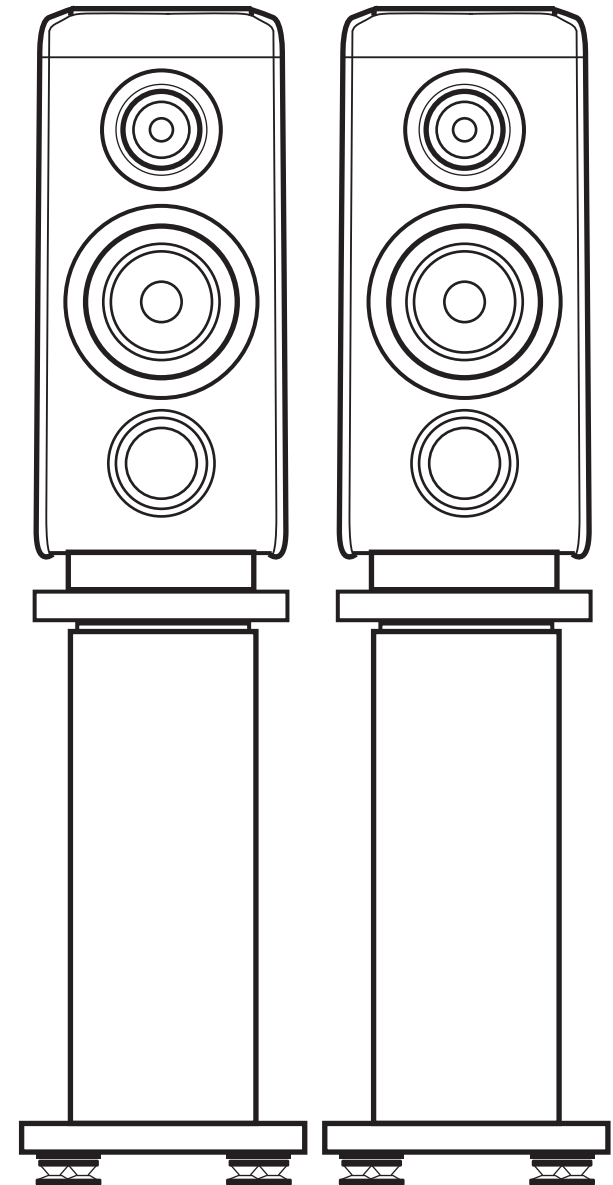

Keep stands away from heat sources (radiators and warm air vents) and direct sunlight sources. Avoid placing loudspeakers in very moist or wet conditions. Expect some gradual color changes as the stands age. This is normal for any wood furniture.

# ONE VIOTTI FLOOR STAND OF

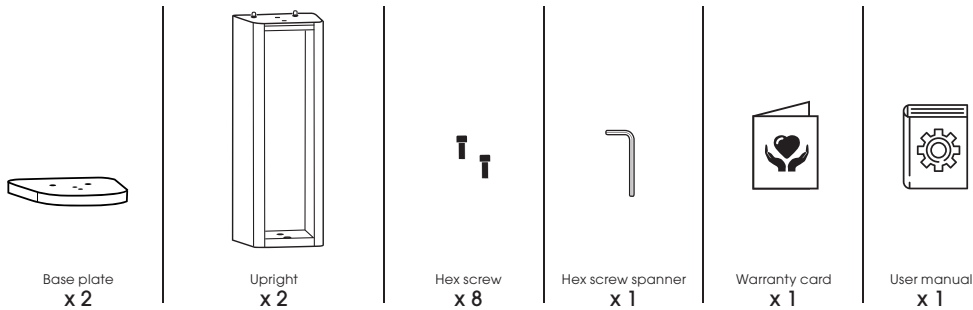

## Welcome and thank you for choosing MarkAudio Sota.

The V1-FS is a dedicated stand to fit with Markaudio-Sota's Viotti One loudspeaker system.

**⚠ Please take the time to read this manual before you begin.**

### 1. Unpacking

Carton contents: Please check in the carton for

### 2. Environmental Information:

This product complies with international directives, including but not limited to:

- The Restriction of Hazardous Substances (RoHS) in electrical and electronic equipment,
- The Registration, Evaluation, Authorisation and restriction of Chemicals (REACH)
- The disposal of Waste Electrical and Electronic Equipment (WEEE).

Please consult your local waste disposal authority for guidance on how properly to recycle or dispose of this product.

Please re-use the draw-string bags. They are suitable for carrying various items. All bags should be kept away from babies and small children.

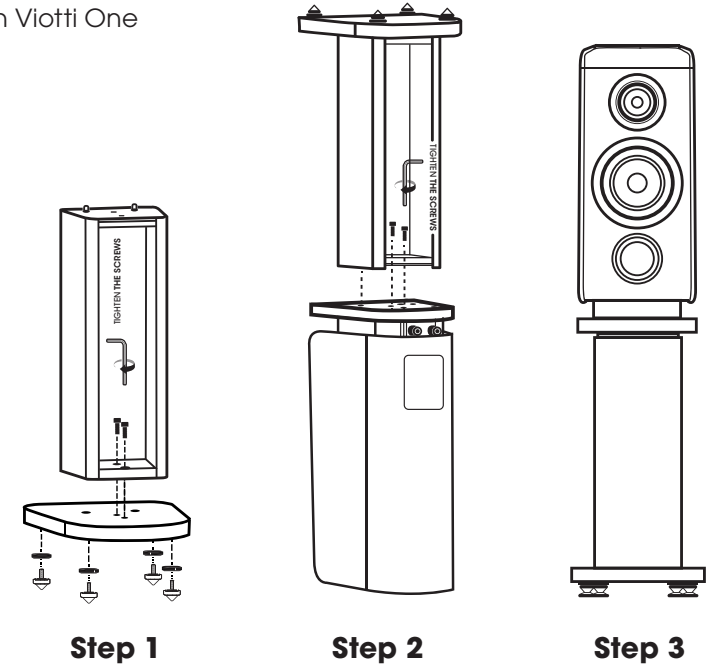

### 3. Floor Stand Installation

There are 2 installation choices. Installation "a" retains the Viotti One speaker base.

Installation "b" allows for the removal of the speaker base for a flush stand appearance, when using spade terminations on speaker cable. Please compare the installation drawings and make your choice before you begin.

Wind the feet into each corner (1), adjust the feet using the locking adjustment wheel. Add the support discs to avoid damaging surfaces (supplied) and final level the loudspeaker (4)

#### a. Installation with Viotti One base plate

#### b. Installation without Viotti One base plate
